

**2018**  
Our Best  
Wishes to  
You. May  
all your  
dreams come  
true.  
We hope  
Father Time  
will be a  
friend to all  
this year.

We welcomed the Christmas season with live music for our board dinner provided by Ellie Arguimbau and Mary Lou Kinsey.

*And I heard a loud voice from heaven saying, "Behold, the tabernacle of God is with men, and He will dwell with them, and they shall be His people. God Himself will be with them and be their God. And God will wipe away every tear from their eyes: there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away."  
Then He who sat on the throne said, "Behold, I make all things new." . . . .*

**Rev 21:3-5**

## Then and Now

Thanks to the many hands of the Idaho Servant Adventurers, Rick Gilbert, Gordon Milholland, Trisha Waldo, and other volunteers, the home in Osburn (John "Boy" Delaney's) has evolved this year until it is almost ready for an occupancy permit. It still needs to have the gas furnace connected and inline water heater approved before we can sell it to John and he can stay in it.

John "Boy" shows how nice the hall shelving looks after hours of work scrubbing and sanding and painting. The home had been vacant for 10 years.

We certainly appreciate the help from Jim Taylor of Taylor Made and his anonymous buddy, Jeff, for finishing the wall and ceiling insulation. Steve Bristow of Kellogg Lumber donated the use of the blower.

He has started moving some furniture into the living room, which really looks nice after CJ Leetch helped clean, the fellows from the Alter Church and Ian Heiser painted the walls, John's anonymous neighbor sanded the floor and John stained it under Trisha Waldo's tutelage.

Some of the stains in the hallway needed to be covered with shellac to prevent leaching through the new paint.

## Then and Now

Thanks to Ron and Tanya Ireland and the many hands of Pastor Larry Harpel and a crew from the Silver Valley Assembly of God, the Idaho Servant Adventurers, Kip McGillivray, John Hopper, AVISTA, Dave Rust, and a host of Krista's friends and relatives, the trailer is close to being ready for her occupancy permit.

When Dave Rust was erecting the posts to hold the snow roof the Rusts donated, one of the machines broke through the top of an old septic tank. Thankfully no one nor machine was hurt. This still needs to be filled in. The roofing is being installed as I type this. Then the sauna tubes around the support posts need to be finished, a back stairs need to be made, and skirting installed.

## WISH LIST

We truly want the Silver Valley Fuller Center for Housing to be able to continue being an integral part of the housing ministry in our Valley. But, neither Verne nor I can continue with the responsibilities we are doing. Please bring this to the attention of your friends, co-workers, families, organizations, churches, etc.

We need: Board Members; Committee Members; Committee Chairmen for: PR, Fund Raising, Greater Blessings, Family Selection and Partnership; and a Construction Supervisor. I am willing to mentor anyone taking any of these roles. Doing one thing is not that onerous but doing all is too much for us. Please call me 208-682-3240

Judy

Our next board meeting is January 9 when we will have elections. Please come and see how you can help.

At left, Dave Rust helps the roofers, Kodie Jesus and his friend, Jerry, clear the snow before stapling the felt onto the snow roof.
